Can I add some comments to your to debate about the	0	to
value of television? Your readers may find that some of my	0	√
views reflect exactly of their own experience in this matter.	1	_____
First of all, I agree with your reader MrsGoldwood who she	2	_____
wrote that she has decided to abandon her television set in	3	_____
protest at the mind-boggling boredom of medical dramas, soaps	4	_____

and fly-on-the-wall documentaries. Six months ago I decided that  
 enough was that enough, and took my set to the rubbish tip  
 where it belongs. I can assure to MrsGoldwood that she will not  
 miss with hers. Since getting rid of mine, I have discovered that  
 there are far more than interesting serials on the radio. I think  
 that she will also find herself is reading more, and at least with  
 books you can choose what a kind of story you want to follow,  
 instead of being at the mercy of the programme for planners.  
 I am sure that other readers can confirm that life after The Box is  
 richer and more rewarding.
